12:00 Alvar Aalto Symposium starts

16th Alvar Aalto Symposium

Alvar Aalto Symposium on contemporary architecture will be held August 22nd and 23rd in Jyväskylä. Seminar venue is the main building of the University of Jyväskylä by Alvar Aalto.

The 2024 event will focus on THE WEIGHT OF ARCHITECTURE during the current era of extremes. The themes emerge from the phenomena of environmental crises to political, financial and societal changes in our operational environment. What is the role of architecture in tackling these challenges?
